

Introducing 2012 Leadership

Chairman of the Board Fella Rhodes has called an association business meeting for the purpose of nominating the 2012 slate of officers and directors on **August 11, at 12:40 p.m. at 638 Independence Parkway, Chesapeake**. The REALTOR®/Lawyer Committee meeting follows so come early for lunch and stay for interesting real estate legal discussions.

David Wilkey, RE/MAX Alliance, will serve as HRRA Chairman of the Board in 2012. Wilkey is already hard at work on the Strategic Plan, industry issues, and recruiting committee leadership. The Annual Leadership Planning Session, where Wilkey will lead development of the 2012 Plan of Action, has been set for October.

HRRA is composed of many specialty practitioners, each of whom has very different needs. HRRA has created councils that focus on the unique needs of each specialty. The councils develop programs, products, and services to match those needs. The result is a more effective association and more value for the members.

Karen Gaskins chaired the Nominating Committee this year. Serving with her were Charlee Gowin, Billy Shirley, Dawn Crawford, Pam Ermen, Billy Chorey, and Candy Dennis. Fella Rhodes and David Wilkey also participated.
